19 November 2025

To the Shareholders,

Dear Sir or Madam,

MAJOR TRANSACTION DISPOSAL OF A VESSEL

INTRODUCTION

Reference is made to the announcement of the Company on 28 October 2025 in relation to the major transaction on disposal of a vessel.

On 28 October 2025 (after trading hours of the Stock Exchange), the Vendor, an approximately 55.69% indirect subsidiary of the Company, entered into the Agreement with the Purchaser in respect of the disposal of the Vessel at a consideration of US\$13,200,000 (approximately HK\$102,960,000). The Vessel will be delivered by the Vendor to the Purchaser on or before 10 December 2025.

The purpose of this circular is to give you further information in relation to the disposal of the Vessel under the Agreement.

THE DISPOSAL OF THE VESSEL

Information on the parties

The Company

The Company is an investment holding company and its subsidiaries are principally engaged in international ship chartering and ship owning.

Vendor

The Vendor is a ship owning company and a wholly-owned subsidiary of Jinhui Shipping, which is in turn an approximately 55.69% indirect subsidiary of the Company as at the Latest Practicable Date. The principal activities of the Vendor are ship chartering and ship owning. The Vendor is a special purpose company solely for holding the Vessel.

Purchaser

The Purchaser is New Unite Marine Co., Ltd., a company incorporated in the People's Republic of China. Its principal activities are international shipping and transportation. The ultimate beneficial owner is Liu Xiangyang.

To the best of the Board's knowledge, information and belief having made all reasonable enquiry, the Purchaser and its ultimate beneficial owner is Independent Third Parties.

Vessel

The Vessel is a Supramax of deadweight 56,469 metric tonnes, built in year 2012 and registered in Hong Kong. The Vendor warrants that the Vessel, at the time of delivery, is free from all charters, encumbrances, mortgages and maritime liens or any other debts. The Vessel will be delivered to the Purchaser on a free from charter basis.

The Vessel has been owned by the Group since year 2022, and its unaudited net book value as at 30 September 2025 was approximately HK\$104,441,000. The net profit both before and after taxation and extraordinary items attributable to the Vendor for the financial year ended 31 December 2024 was approximately HK\$17,489,000 whereas the net loss both before and after taxation and extraordinary items attributable to the Vendor for the financial year ended 31 December 2023 was approximately HK\$15,455,000.

Consideration

Under the Agreement, the Vendor agrees to dispose of the Vessel for a consideration of US\$13,200,000 (approximately HK\$102,960,000) payable by the Purchaser as follows:

- (1) an initial deposit of US\$1,320,000 (approximately HK\$10,296,000) was paid by the Purchaser on 5 November 2025; and
- (2) the balance of US\$11,880,000 (approximately HK\$92,664,000) will be payable by the Purchaser on delivery of the Vessel which will take place on or before 10 December 2025.

The consideration of the Vessel was determined by reference to market intelligence. The Company has gathered such information from shipbrokers and its own analysis of recently concluded sale and purchase transactions of vessels of comparable size and year of built in the market, valuation from independent valuer and on the basis of arm's length negotiations with the Purchaser.

In the course of negotiating the consideration of the Vessel, the Group obtained indicative valuation of the Vessel from Arrow Valuations, an independent valuer and an affiliate of Arrow Asia Shipbrokers Ltd., an independent shipbroking group. Arrow Valuations appraised the Vessel at US\$13 million (approximately HK\$101.40 million) as of 21 October 2025. The Company has reviewed the valuation certificate and discussed with Arrow Valuations about the valuation approach and methodology adopted in the valuation of the Vessel. The market valuation approach used by Arrow Valuations is a common and acceptable method used across the shipping industry as there are typically comparable sales reported besides ongoing price idea discussions for vessels under negotiation for sale are available. This market valuation approach is a common method adopted by valuers when there is sufficient relevant information to show the price levels that both buyers and sellers are willing to pay and sell in the shipping market. Market approach assumes the vessels being sold on the basis of prompt charterfree delivery as between a willing buyer and willing seller and assumes the vessel to be in a good and seaworthy condition. Vessels with comparable age, size and classification of vessels and country and reputation of shipbuilders are taken into account and appropriately adjusted in order to arrive the fair value of the vessels. Arrow Valuations has considered the factors including (i) the country, the quality and the reputation of the shipbuilder; (ii) the classifications, configurations and specifications of the Vessel; (iii) recent market activities including comparison with recent sales by age/size/quality of shipyard; (iv) the prices of similar vessels which are available for sale and purchase and (v) underlying market conditions. Besides, Arrows Valuations has considered their own internal database, information in relevant works of reference in their possession in addition to market intelligence sourced. Reference to recent market traded transactions during the first nine month 2025 were two Chinese 2012-built BWTS Fitted Supramaxes reported sold between US\$13 million to US\$13.25 million.

Apart from valuation of Vessel from Arrow Valuations, we also discuss with international shipbrokers frequently to gather market intelligence on what vessels are being put on the market for sale and purchase, which parties are looking to buy or sell their vessels on a worldwide basis. Market information on the sale and purchase market of second-hand vessels from international shipbrokers is received on daily basis. However, as each vessel is never identical, management has based on experiences and market knowledge to consider and come up with the acceptance of the offer.

Possible financial effects of the Disposal of the Vessel

The unaudited net book value of the Vessel as at 30 September 2025 as described above represents the estimated recoverable amount which was based on the value in use under the requirement of Hong Kong Accounting Standard 36 Impairment of Assets. The Group would realize a book loss of approximately HK\$1.6 million on Disposal of the Vessel. The actual book loss which the Group would realize upon completion of the Disposal of the Vessel will depend on the actual net book value of the Vessel in accordance with the Group's impairment and depreciation policy for the vessel as shown in the Company's annual report and the actual costs of disposal being incurred of the Vessel as at date of delivery.

Use of proceeds

The net sale proceeds from the Disposal of the Vessel will be applied toward general working capital purposes. Specifically, the Company will utilize the funds to repay short-term borrowings, thereby reducing interest expenses and improving its capital structure. A portion of the proceeds will be used to settle outstanding creditors and payables. To enhance financial flexibility, part of the proceeds will be retained as a liquidity buffer and reserve for any unforeseen expenditure or market fluctuations.

REASONS FOR THE DISPOSAL OF THE VESSEL

The Group's principal activities are international ship chartering and ship owning. The Directors continuously review the prevailing market conditions of the shipping industry and monitor and adjust the Group's fleet profile as appropriate. The Disposal of the Vessel is in line with the ongoing strategy of the Group to optimize its vessel fleet by maintaining a well-balanced portfolio of the vessel fleet and reduce our operational risk exposures in current volatile markets. The Disposal of the Vessel will enable the Group to enhance its working capital position and further strengthen its liquidity and overall financial position.

The Group operates a balanced and diversified fleet of dry bulk carriers, comprising Capesize, Panamax, Ultramax and Supramax bulk carriers. To stay competitive in the market, the Group continues to focus on upgrading the quality of our fleet and refining its composition, particularly emphasis on reducing average age of our fleet. We believe in being prepared at all times for future possible opportunities of redeployment of capital into other more suitable assets that may arise going forward while keeping leverage at comfortable levels.

Looking ahead, we will continuously monitor the market as well as our operations going forward and look out for opportunities to maintain a reasonably modern and competitive fleet, not ruling out any future disposal of smaller and older vessels and replace with newer vessels or charter-in of vessels. We will make such decisions on an ad hoc basis to maintain high financial flexibility and operational competitiveness.

The Group currently operates twenty-seven vessels, including twenty-one owned vessels and six chartered-in vessels, with total carrying capacity of approximately 2.1 million metric tonnes. Among the owned vessels were two that have been arranged under sale and leaseback agreements and one which has been disposed of and reclassified under assets held for sale.

The Directors believe that the Disposal of the Vessel will not have any material adverse effect on the operations of the Group. The Directors consider the terms and conditions of the Agreement were concluded and agreed between parties on normal commercial terms following arm's length negotiations with reference to the prevailing market values. The Directors are of the view that the projected operational results of the Vessel are not necessarily an indicator of its future potential performance, which in turn is not directly pertinent to the negotiation of the consideration. During negotiation regarding the consideration of the Vessel, a market-based approach was adopted, as it provides a fair and reliable current situation of valuation, for both the Vendor and the Purchaser. The Directors consider such terms and conditions are fair and reasonable and believe that the Disposal of the Vessel is in the interests of the Company and its shareholders as a whole.

LISTING RULES IMPLICATION

As one or more applicable percentage ratios calculated in accordance with Rule 14.07 of the Listing Rules in respect of the Disposal of the Vessel exceed 25% but are less than 75%, the Disposal of the Vessel constitutes a major transaction for the Company under Chapter 14 of the Listing Rules and is subject to the notification, announcement and shareholders' approval requirements under the Listing Rules.

Under Rule 14.44 of the Listing Rules, shareholders' approval for transactions may be obtained by way of written shareholders' approval in lieu of holding a general meeting if (1) no shareholder is required to abstain from voting if the company were to convene a general meeting for the approval of the transactions; and (2) written shareholders' approval has been obtained from a shareholder or a closely allied group of shareholders who together hold more than 50% of the voting rights at that general meeting to approve the transactions.

Fairline Consultants Limited ("Fairline") and Timberfield Limited ("Timberfield") are closely allied group of Shareholders who hold 205,325,568 Shares and 136,883,712 Shares, respectively, and together hold 342,209,280 Shares which represent approximately 64.53% of the total issued shares of the Company and voting rights in general meetings of the Company as at the Latest Practicable Date.

Fairline and Timberfield hold 409,099 shares and 260,000 shares of Jinhui Shipping respectively, and together hold 669,099 shares of Jinhui Shipping which represent approximately 0.61% of the total issued shares of Jinhui Shipping as at the Latest Practicable Date.

Mr. Ng Siu Fai, the Chairman of the Group and an executive Director, is the major shareholder and beneficial owner of Fairline. Mr. Ng Kam Wah Thomas, the Managing Director of the Group and an executive Director, is the sole beneficial owner of Timberfield. Mr. Ng Siu Fai and Mr. Ng Kam Wah Thomas are brothers and the two founders of the Group.

Fairline and Timberfield are not interested in the Disposal of the Vessel other than through their respective shareholding interests in the Company and Jinhui Shipping. No Shareholder is required to abstain from voting on the Disposal of the Vessel if the Company were to convene a general meeting for the approval of the Disposal of the Vessel.

The Disposal of the Vessel was approved by way of written shareholders' resolutions from Fairline and Timberfield on 22 October 2025.

As stated in the preceding paragraphs, the Directors are of the view that the terms and conditions of the Disposal of the Vessel are on normal commercial terms, fair and reasonable and in the interests of the Group and the Shareholders as a whole. Although a general meeting would not be convened by the Company to approve the Disposal of the Vessel, if such a general meeting was to be convened by the Company, the Board would recommend the Shareholders to vote in favour of the resolution(s) to approve the Disposal of the Vessel.

Your attention is also drawn to the appendices to this circular.

Yours faithfully,
By Order of the Board
Jinhui Holdings Company Limited
Ng Siu Fai
Chairman

(1) FINANCIAL INFORMATION OF THE GROUP

Financial information of the Group for each of the three financial years ended 31 December 2022, 2023 and 2024 and the six months ended 30 June 2025 are disclosed in the following documents which have been published on the websites of the Stock Exchange (http://www.hkexnews.hk) and the Company (http://www.jinhuiship.com):

- Annual report of the Company for the year ended 31 December 2022 (pages 84 to 161) https://www1.hkexnews.hk/listedco/listconews/sehk/2023/0424/2023042400586.pdf
- Annual report of the Company for the year ended 31 December 2023 (pages 86 to 165) https://www1.hkexnews.hk/listedco/listconews/sehk/2024/0419/2024041900428.pdf
- Annual report of the Company for the year ended 31 December 2024 (pages 88 to 171) https://www1.hkexnews.hk/listedco/listconews/sehk/2025/0428/2025042800959.pdf
- Interim report of the Company for the six months ended 30 June 2025 (pages 28 to 52) https://www1.hkexnews.hk/listedco/listconews/sehk/2025/0917/2025091700456.pdf

(2) INDEBTEDNESS

As at the close of business on 30 September 2025, being the latest practicable date for the purpose of this indebtedness statement, the Group had outstanding secured borrowings of approximately HK\$1,096 million.

The borrowings represented secured term loans of approximately HK\$790 million, secured revolving loans of approximately HK\$90 million and secured other borrowings of approximately HK\$216 million. All outstanding borrowings and credit facilities were guaranteed by the Company or Jinhui Shipping.

As at 30 September 2025, the Group's credit facilities were secured by certain of the Group's property, plant and equipment with an aggregate net book value of approximately HK\$2,132 million, investment properties with an aggregate carrying amount of approximately HK\$235 million, financial assets at fair value through profit or loss of approximately HK\$58 million and deposits in banks amounting to approximately HK\$8 million. Shares of two ship owning subsidiaries, being members of the Group, were pledged together with the assignment of chartering income of sixteen subsidiaries to secure credit facilities utilized by the Group.

As at 30 September 2025, the Group had lease liabilities of approximately HK\$346 million. All outstanding lease liabilities was unsecured and unguaranteed.

As at 30 September 2025, save as aforesaid and apart from intra-group liabilities, none of the companies in the Group had any outstanding mortgages, charges, debentures, loan capital, bank overdrafts, loan or indebtedness in the nature of borrowings, debt securities or other similar indebtedness, finance leases or hire purchase commitments, liabilities under acceptances or acceptance credits, or any guarantees or other contingent liabilities.

(3) FINANCIAL AND TRADING PROSPECTS

The Group has continued to carry on the businesses of investment holding, ship chartering, ship owning and ship operating during the year. We operate a balanced and diversified fleet of dry bulk carriers, comprising Capesize, Panamax, Ultramax and Supramax. To stay competitive in the market, the Group focused on enhancing the quality of our fleet and adjusting our fleet profile, in particularly in terms of seeking to lower the overall age profile of our fleet. We try to optimize the use of both owned vessels and chartered-in vessels to improve the revenue generated from vessels while keeping leverage at comfortable levels.

Transportation of commodities will undergo profound and complex changes given the variables that affect our business are a combination of industry specific, economical, as well as geopolitically driven. With new vessel supply remaining limited and newbuilding activity at moderate levels, the dry bulk shipping market remains relatively healthy.

With expected moderate global dry bulk fleet growth in the next few years due to minimal new ship ordering and potentially increased scrapping as the fleet ages and decarbonization regulations tighten, new vessel orders are expected to be low. Looking ahead, should economic recovery gain pace at a rate that is beyond market expectations, our fleet will be well positioned to benefit from these supportive industry specific fundamentals. We also continue to look for fleet renewal opportunities that will meet the needs of the market and our customers.

While the global economic climate remains challenging, we are committed to pursuing growth across our business and continue to strive to find opportunities in the face of challenges, so as to return long term value to shareholders and the public, and realize corporate value as well.

The Group's financial position remains robust, supported by existing cash reserves, marketable securities, and available credit facilities. In addition, we believe the newly acquired vessels can increase the carrying capacity of our fleet profile, bring chartering freight and hire income to the Group and enhance the Group's income and cashflow from core shipping business.

(4) WORKING CAPITAL

The Directors are of the opinion that after taking into account its internal resources, the existing available credit facilities, the indebtedness statement of the Group as set out in the section headed "(2) INDEBTEDNESS" above and the Disposal of the Vessel, the Group has sufficient working capital for its present requirements for the next twelve-month period from date of this circular.

The following is the full text of the valuation certificate received from Arrow Valuations, an independent valuer, in connection with its opinion on the market value of the Vessel as of 21 October 2025 prepared for the purpose of incorporation in this circular. Arrow Valuations was established in 2001 as a subsidiary of Arrow Research to provide accurate and unbiased assessment of values across the main shipping sector. It was set up to provide a dedicated valuations service to banks, financial institutions, owners, underwriters, lawyers etc. and is on the panel of many banks as an approved valuer.

JINHUI HOLDINGS COMPANY LIMITED

Valuation

As requested, Arrow Valuations has made an assessment of the key particulars of the vessel stated below (the "Vessel") (and other relevant works of reference in its possession) and is able to state that in its opinion the approximate value of the Vessel on 21st October 2025 the assumptions set out below and as between a "willing buyer and a willing seller", is:–

Vessel Name	IMO	Key Particulars	Value – US\$
MV JIN MAO	9626924	56,469 DWT/Bulk Carrier/2012 Built by Jiangsu Hantong Ship Heavy	\$13,000,000
		Industry Co Ltd (CHINA)	

Assumptions

This valuation is provided on the following assumptions and bases: the Vessel would be in a position to give early delivery, within an acceptable area, free of charter or any contract of employment, for cash payment on normal commercial terms; (ii) the sellers of the Vessel could give delivery of the Vessel free from all registered encumbrances, maritime liens and all debts; (iii) the Vessel has been maintained to standards expected for a ship of her age and type; (iv) the Vessel fully complies with latest IMO/MARPOL/SOLAS requirements, is in a sound trading condition, being fully classed to the requirements of her Classification Society, is free of recommendations and has clean and valid trading certificates, conforming in all respects with the requirements of the appropriate Registry; (v) the 'key particulars' set out in the table above are correct; and (vi) Arrow Valuations has not made a physical inspection of any Vessel nor has it inspected any classification records. Arrow Valuations does not accept responsibility for the accuracy of the assumptions.

Use and Sharing

This valuation is a statement of opinion only and is based on the above assumptions, and is our opinion of the market as of 21st October 2025 and should not be taken to apply to any other date. Prior to entering into any transaction in respect of the Vessel you should satisfy yourself (by inspection or otherwise) that the assumptions are appropriate and the 'key particulars' set out above are correct. Arrow Valuations gives no assurance that any above stated value can be sustained or is realizable in an actual transaction. This valuation is given solely for the private internal use of the addressee and is not for publication or circulation other than as permitted by Arrow Valuations' Terms of Business and with prior written consent.

APPENDIX II

VALUATION CERTIFICATE OF THE VESSEL

Terms of Business

The Valuation is provided in accordance with, and subject to, Arrow Valuations' Terms of Business. These are available at: https://arrowship.com/ValuationsTermsofBusiness.pdf

For and on behalf of

ARROW VALUATIONS

Date: Hong Kong, 21st October 2025

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

DISCLOSURE OF INTERESTS

(1) As at the Latest Practicable Date, the interests and short positions of each Director and chief executives of the Company in the shares, underlying shares and debentures of the Company or any of its specified undertakings, and associated corporations (within the meaning of Part XV of the SFO) which are required to be notified to the Company and the Stock Exchange pursuant to Divisions 7 and 8 of Part XV of the SFO (including interests and short positions which he or she is taken or deemed to have under such provisions of the SFO) or which are required, pursuant to Section 352 of the SFO, to be entered in the register referred to therein or are required to be notified to the Company and the Stock Exchange pursuant to the Model Code for Securities Transactions by Directors of Listed Issuers were as follows:
